CENTRALIZE WATER FILTRATION

CENTRALIZE MINERAL WATER
FILTRATION SETUP BEST FOR NAWASA SOURCE

TEAMACE
BATANGAS WRS SUPPLIER

PHP 65.000 ONLY

This diagram illustrates a central mineral water filtration system. It features a large grey storage tank on the left with the 'TEAMACE' logo. A blue pump is connected to the bottom of the tank, leading to a vertical blue filter unit. The output of the filter unit connects to a horizontal manifold with four individual filter cartridges. A red circular callout on the right indicates the price is 'PHP 65.000 ONLY'.

REVERSE OSMOSIS MEMBRANE

PHP 95.000
FREE EXTRA 1YEAR
SUPPLY OF FILTER

This diagram illustrates a central purified water filtration system using reverse osmosis. It includes a large grey storage tank on the left with the 'TEAMACE' logo. A blue pump is connected to the bottom of the tank, leading to a vertical blue filter unit. The output of the filter unit connects to a horizontal manifold with three individual filter cartridges. A red circular callout on the right indicates the price is 'PHP 95.000' and includes a 'FREE EXTRA 1YEAR SUPPLY OF FILTER'. A separate black pump is shown at the bottom right, connected to the system.
